

2008 BCMC CHAPTER CONTEST

Show your support for BCMC and encourage your fellow chapter members to attend!

HURRY!

Mark Your Calendar!

BCMC is the place to conduct strategic/corporate planning for 2009 and get a longer range view of the evolution of the industry.

The benefits of attending include:

- Talking to vendors to get their view of the industry and to actions to take to our advantage
- Viewing active machinery demonstrations and researching purchasing decisions in one location
- Networking with peers, which may be the most valuable information gathering aspect of BCMC
- Attending educational sessions and asking all of the questions you can for real take-home value
- Having open and frank discussions with peers about the issues facing the industry at the roundtables and educational sessions

The Contest PRIZES are:

Commemorative Pin

for each member attending the show

10 TTW Coupons

for the chapter to distribute

Recognition at BCMC

and in **SBC Magazine**

The contest ends on September 10, so start recruiting your chapter members to register for BCMC without delay!
