For the 2012–2013 Annual Workshop series, we're pleased to bring you the 2012 BCMC sessions!

Workshop Schedule: 2nd Tuesday of the month at **2 pm ET/1 pm CT/12 pm MT/11 am PT.**

Workshop Cost: SBCA members receive a discount and pay by location instead of by person. The member cost is \$25 per location; the nonmember cost is \$50 per person.

[*Thank You to our SBC Magazine Advertisers for Sponsoring the Workshops!*](#)

With so many great BCMC sessions this year, you'll want to attend each month. Even if you were able to participate at BCMC New Orleans, you should consider joining us for the additional perspectives that will be shared at these Workshops.

To date, three Workshops have been scheduled:

- | | |
|---------------------------------|--|
| <i>December 11, 2012</i> | Train-the-Trainer: Learn How to Educate & Build Community |
| <i>January 8, 2013</i> | Lumber Production, Grading & Design Values: MSR/MEL, The Advanced Stick |
| <i>February 12, 2013</i> | Preparing for the Future of Hiring |

Each session welcomes guest speakers and allows time for pertinent questions and open forum discussion. TTT recertification credit, continuing education credit (CEU) and professional development hours (PDH) are available, too. The Annual Workshop & Conference offers something for everyone! We'll encourage you to think about how to put these ideas to use in your business and/or your chapter, so be sure to speak up and voice your questions.

So please help us keep BCMC alive throughout the year and join us for the Workshops. If you have any questions, or requests, [please let us know](#). You may [register online](#) today! Together we will continue *Building Community and Making Connections*.
