## Recruiting and Retaining Talent in the Truss Industry

Join the SBCA Workshop Series, where industry advocate and SBCA Hall of Fame Award Winner, John Herring of A-1 Roof Trusses in Fort Pierce, FL, will draw from his experiences of building (and rebuilding) a highly successful team in the extremely competitive and complex Florida market. John has over 40 years of experience in the SBC industry.

Bring your questions, comments and contributions and together, we will keep BCMC alive throughout the year and continue Building a Community and Making Connections.

**Workshop Schedule** – This 1¼ hour workshop will be held on **Tuesday, April 14 at 11am PDT/12pm MDT/1pm CDT/2pm EDT**. Truss Technician Training (TTT) recertification credit, continuing education credit (CEU) and professional development hours (PDH) are available.

**Workshop Cost** – Component manufacturing companies that attended BCMC in Charlotte, NC in 2014 can attend this session for FREE. SBCA component manufacturer members receive a discount and pay by location so multiple employees can participate at one cost. The member cost is \$30 per location; the nonmember cost is \$60 per person. For more information, visit: <http://sbcindustry.com/workshop>

**Missed a Workshop?** – Recordings of this workshop will be available online shortly after the presentation. The member cost is \$30 per person; the nonmember cost is \$60 per person.
