

32nd Annual West Florida Government Building Officials, Inspectors and Plans Examiners Meeting

An Inspector's Guide - Design, Install & Repair

Friday, November 3 • Noon • Tampa

Class

This session provides attendees with the tools to understand the key responsibilities of all parties involved in the structural framing process, from delivery of the trusses through the code mandated framing inspections. It acquaints attendees with various applications of trusses, repair procedures and correct installation processes. This session will also discuss electronic seals and the Electronic Commerce Act - 15 U.S. Code § 7001 - General rule of validity, contract definition and F.A.C. Rule 61G15, Chapter 23, "SEALS".
