**WORK SAFELY.
 GO HOME SAFELY.**

The National Framers Council develops and implements best practices to help ensure framers leave the jobsite each day in the same health as they arrived.

Chris Tatge, Executive Director of the NFC and co-owner of Dynamic Construction in Madison, Wisconsin, will be leading the training. The course includes classroom instruction and hands-on training, featuring a fully functioning roof structure.

Enrollment is open to framers throughout the Midwest at **no cost**.

All classes begin at 9:00a. Lunch will be provided.

Contact NFC staff or visit our website for more details, dates, and to register.
